Education

Vasavi College of Engineering — Hyderabad, India
B.E. in Computer Science; CGPA: 8.95 — *2024 – 2028*

Relevant Coursework: Data Structures, Algorithms, Operating Systems, DBMS, Computer Networks

Technical Skills

Languages: Java, Python, C, JavaScript, SQL, HTML, CSS
Frameworks & Libraries: FastAPI, React, React Native, Expo, Flask, PyTorch, Tailwind CSS
Databases & Tools: PostgreSQL, Redis, Docker, Git, Postman, Linux (WSL)
Interests: Backend Engineering, AI/ML, DevOps, Distributed Systems, IoT

Projects

Vasavi Student Companion | *React Native, Expo* — 2026

- Built a mobile application for Vasavi College of Engineering students to track attendance and calculate the classes required to reach their target attendance percentage.
- Designed a user-centric interface to simplify attendance planning and improve the student experience.

Smart Bulb & Environmental Monitoring System | *ESP32-S3, ESP-IDF, C, MQTT* — 2026

- Developed embedded firmware for a connected smart lighting ecosystem integrating environmental sensors for temperature, humidity, ambient light, particulate matter, and gas monitoring.
- Implemented connected lighting control, BLE-based Wi-Fi provisioning, occupancy detection, and event-driven environmental alerts.

AI-Powered Syllabus Extraction & SGPA Calculator | *Python, AI, Document Processing* — 2026

- Built an automated pipeline to extract and process syllabus information, reducing manual effort in academic data entry.
- Automated academic data processing for SGPA calculations, helping students estimate grades and plan their academic performance.

MRI Brain Tumor Classification | *Python, PyTorch, CNN* — Ongoing

- Developing a convolutional neural network (CNN) to classify brain MRI images into glioma, meningioma, pituitary tumor, and no-tumor categories.
- Implemented image preprocessing, training, validation, and test evaluation pipelines, achieving approximately 88% test accuracy in an experimental run.

Certifications

NPTEL Programming in Java | *Elite + Gold Badge* — 2025
NPTEL Programming in Python | *Elite + Silver Badge* — 2024
Infosys Springboard | *Java Programming Certification* — 2025
